Group Study Exchange Team

Adrian and Shirley had the pleasure of hosting Raymond Wong, a member of the GSE Team visiting London this month, for the first week of his visit. Raymond works as a consultant for the federal government providing technical and records management expertise. He has a long-held interest in international issues and is active in diversity and volunteer activities in the Boston area. He is currently a member of the Boston based Rotaract Club and was a founder member and the President of the University of Massachusetts Dartmouth Rotaract Club.

Information on other members of the team can be found on the Rotary in London website. Details of how you can meet Raymond and the other members of the team are overleaf.

Autumn Craft Fair

Thirty six stallholders put their crafts on display in the Parish Hall, Dulwich Village, on Saturday at the Autumn Craft Fair organised by the Rotary Club of Dulwich and Peckham. Thanks to the efforts of Ken and Barbara Deller, supported by the organising committee and other members of the Club, well over £600 was raised. Thanks go to Sylvia, Caroline and Susan in the kitchen, Roy and Colin at the admissions table and all the members and Friends who put Service above Self to help before, during and after the event.

The Shelterbox and its contents, including the tent, were on display outside the Hall and many visitors to the Fair stopped to find out more about the project.

See page 5 for details of our next fund-raising event.
